

Introducing Our Partners

Elevating every space through creativity, design, and innovation.

At EPIISOD, we believe in working with partners who share our commitment to design excellence, future-ready living, and meaningful experiences. Our collaborations bring together iconic artistry, visionary interiors, and cutting-edge technology to reimagine modern living across our properties.

Gillie and Marc

Internationally acclaimed contemporary artists Gillie and Marc bring their distinctive sculptures and storytelling to all EPIISOD properties. Their playful, thought-provoking pieces add a bold cultural layer to our spaces—sparking connection, curiosity, and conversation. At Macquarie Park, their works take centre stage, transforming everyday moments into immersive art encounters.

Nic Graham & Associates

Known for redefining interiors with a confident blend of retro charm and modern minimalism, Nic Graham & Associates lead the design narrative across EPIISOD spaces. Their bespoke approach to hospitality-inspired living shapes homes that are not only beautiful, but deeply livable—layered with warmth, wit, and timeless appeal.

Konec

Transforming homes with innovative IoT systems, Konec delivers intuitive automation solutions that simplify the way residents live, and developers build. Their future-forward smart home technology enhances the value of every EPIISOD residence—ensuring seamless connectivity, effortless installation, and trusted reliability from the ground up.

Superloop

As our chosen connectivity partner, Superloop powers the digital heartbeat of EPIISOD. With ultra-fast broadband and high-performance network infrastructure, Superloop ensures residents stay effortlessly connected—whether they're working, streaming, or staying in touch with loved ones.
